IALD ENLIGHTEN AMERICAS 2020 ONLINE
An online experience unlike any other
21-22 October 2020

For the first time, IALD brings the lighting community the Enlighten energy and excitement—you already know and love—directly to homes or offices as interactive, online events unlike anything we have ever done before. The Enlighten Americas 2020 online event goes beyond an online seminar experience—it’s designed to bring our lighting community together in new and exciting ways at a time when staying connected matters the most.

Join the IALD community on 21-22 October for two half-days packed with world-class experts in lighting, thought-provoking panels, virtual exhibit rooms, engaging breakout discussions, special social hours, giveaways, and more.

This prestigious event will be promoted to IALD’s global membership of 1,500 as well as on our social media channels that collectively reach audiences of nearly 30K. This is an incredible brand and engagement opportunity to engage with leading world-class lighting designers and to be associated with and support the IALD Enlighten Americas online this year.

[Please note you will receive a 10% discount if you are signed up to sponsor Enlighten Americas 2021.]
